#### WHAT WOULD YOU DO?

#### Friday, June 17, 2016 (premiere)

Hidden-camera fan-favorite returns this summer with all-new scenarios capturing unsuspecting people's reactions to everyday situations. These scenarios elicit new and sometimes surprising reactions, but what does not change is the incredible response to anchor John Quiñones when he appears on camera to ask about each person's split-second and often surprising decision-making process.

- A customer is bullying a supermarket employee with Down syndrome. Will customers step up and defend him or go about their business?
- A mother and her two daughters enter a local donut shop. The mother refuses to let one of her daughters get a donut because the girl is "overweight." Will onlookers intervene or let this mother parent her children the way she chooses?
- A mother and her children are shopping in a supermarket when the children begin to misbehave. To discipline this behavior the mother begins spraying a bottle of water in the kids' faces. Will onlookers support this mother's decision or be outraged?
- A pharmacist is loudly disclosing potentially embarrassing information about one of the people waiting online at prescription pick-up. Will someone tell the pharmacist to quiet down or will everyone listen in?
- A young girl is testing out a demo video game in the store when two boys begin harassing her, telling her "girls can't play video games." Will any of the customers come to the young girl's defense?

- Surrogate Mom: A surrogate mom excitedly tells the parents-to-be she is carrying twins, but they
  want only one baby and refuse to take the second one. How will bystanders react when the parents
  tell the surrogate to get rid of one of the babies?
- Drunk Cab Driver: A cab driver gets drunk on his lunch break and tries getting behind the wheel to continue his shift. How will bystanders react?
- Overwhelmed Caregiver: Our actors are a woman and her elderly mother, who needs help doing everything. Traci is at her wit's end all of the emotion she's bottled up about having to care for her mom boils up and overflows. She complains to her mother about being overwhelmed, and her mother reacts nastily, saying things like, "I'm the one who should be overwhelmed. You're stupid and forgetful." What will people do?
- Teacher/Student: A teacher is out with her student helping him "study" when some inappropriate PDA between them starts up. They begin to discuss their relationship, and there seems to be something more going on between them than just tutoring. Do others speak up to protect the boy or stay quiet?
- Eating Disorder: Three teen girls are eating lunch together. One of the girls is curious how the other two stay so skinny despite the bad food they eat. They admit to her that they binge and purge, and they encourage her to do the same. How will other diners react to the two "skinny" girls pressuring their friend to take up their unhealthy habit?
